The Club is always in need of volunteers. Recruitment happens throughout the year to fulfill the requirements of the Club.

Volunteers are used within the structure of the Club to enhance all aspects of associated activities. A few of the areas where volunteers are always appreciated are set out below:

- Team managers
- Club administration
- Gala officials
- Social event organisation
- Media and publicity
- and many, many more.

Recruitment of new volunteers is seen as an ongoing need, to keep the Club vibrant and open to new ideas.

### Volunteers are recruited by various methods:

- The Club committee actively seeks volunteers to fill vacant positions within the committee by advertising on the Club notice boards, website, social media or by personal invitation.
- At the Annual General Meeting members elect volunteers to positions of responsibility on the Club management committee.
- Coaches, Teachers and individual sections will regularly canvass for volunteers to undertake tasks specific to that section.
- Social events are advertised on the Club notice boards, website and social media. Volunteers will be sought to help when necessary.
- For any local event requiring assistance, requests for volunteers will be made on the notice boards, by newsletter, by social media, by personal request or by E-mail.
- Any person contacting the Club offering voluntary help will, where appropriate, have their offer accepted.
- Regular planned in-house delivery of Club timekeeper and Team Manager courses
